

NEMEA 2820

DESIGN:
CAZZANIGA MANDELLI PAGLIARULO

Nemea is a collection of classically-shaped seatings, whose visible, light structural elements seem to be smoothed by time, like findings from the Ancient Greece. The chair seems to extend into an athletic pose, with its sinuous legs in solid ash grafted to the die-casted aluminium frame placed under the plywood seat. The embracing, comfortable backrest crowns the seat. Stackable. Available in bleached ashwood, ruby red, cognac and black colour stained.
